THE NEW CANADIAN

An Independent Organ for Canadians of Japanese Origin

VOL. 19 — NO. 75 SATURDAY, SEPTEMBER 29, 1956 TORONTO, ONT.

October is traditionally the Red Feather Month. This October the combined objectives of over 70 community chest campaigns being organized from Halifax to Vancouver will total well above $20,000,000. This money will be distributed to some 1133 agencies across Canada which are dedicated to some specific phase of health or welfare for Canadian people.

Voluntary agencies which receive community chest support include the Salvation Army, Canadian National Institute for the Blind, Canadian Council for Crippled Children, sheltered workshops, children's aid societies, maternity home for unmarried mothers, residential institutions for emotionally disturbed children, homemaker services, mental health and child guidance clinics, Big Brother and Big Sister organizations, family casework agencies, Red Cross, Victorian Order of Nurses, YMCA, YWCA, Settlement Houses, Neighbourhood Centres and many others.

A community chest is a hometown organization composed of local men and women who decide how much money should be raised for local health and welfare services and how it should be allocated after it is raised.

The community chest has two main functions. The first is to raise funds each year for affiliated social, health and recreation services and then to distribute the funds in accordance with a systematic budget procedure. The second is to promote, in cooperation with the community welfare council, the effective planning, coordination and administration of these services in the community.

A community chest in a city indicates on the part of its citizens their belief in the need of a happy, healthy, harmonious community.

The rise of the Chest movement has been a logical feature in the evolution of our social and economic system on this continent. In 1950 there were but 51 Community Chests and Welfare Federations in Canada; in 1956 there are over 70. This movement is probably the most conspicuous single unifying force in the Community in which all races, religious creeds, labor, management, social, economic and political groups rally in one common cause. Learn to Help the United Way through your Community Chest.

In Toronto, Monday is the first day of the campaign, and 22,000 canvassers will be approaching Mr. and Mrs. Toronto. Objective in the residential areas is $690,-000.

Donations should not be attached to cards by paper clips or pins which could botch the Toronto filing system. With 22 campaigns and 89 organizations in the United Appeal, the filing is done with an IBM system—the same way that questions are sorted on the $64,000 Question.

120,000 BARRELS OF OIL SHIPPED TO JAPAN

VANCOUVER. — The 16,000-ton T-2 tanker Battle Rock was expected last Sunday to load 120,000 barrels of crude oil for Japan.

The oil, delivered here from Edmonton through the Trans-Mountain oil pipeline, is being sold by Imperial Oil, and is the first shipment from this area for Japan.

Japanese oil refiners import almost all their oil requirements. Bulk of the supplies in the past have come from the Dutch East Indies, but Japan has been shopping farther afield with other imports originating in the Middle and Near East and even the United States gulf coast.

Japan reportedly spends more than $200,000,000 annually on crude oil and petroleum products.

Several weeks ago a Japanese buying mission visited Toronto to look into possibilities of purchasing Canadian oil. Their conversations with Imperial Oil officials are believed to have resulted in the current shipment. Although this first tanker delivery represents a spot shipment, outlook for further shipments is believed good. Tanker schedules and tariffs are all-important in any oil trade with Japan.

This is an entirely newfound market which didn't exist last year. Practically all of the offshore shipments have been going to California refineries.

One of Top Buyers Of Canadian Grain

VANCOUVER.—(CP) — Transport Minister Marler said last week some grain trade experts believe that in the next 20 years Japan will become as large a market for Canadian grain products as Britain has been in the past.

If the belief is fulfilled, he told the "port day" luncheon of the Vancouver board of trade, then the port of Vancouver will benefit immensely. Some 1,500,000 tons of grain were shipped through Vancouver to Japan last year, compared with shipments of only 1,706 tons in 1946.

Recalling Russia's undertaking to buy between 400,000 and 500,-000 tons of Canadian grain annually for three years, Mr. Marler said this year's shipment of 400,000 tons already has been made through Vancouver. There was no reason to believe shipments in the next two years would not also pass through the Pacific gateway port.

The reduction of the rail export rates on flax from the prairies last August — putting Vancouver on an equal footing with the lakehead—was another large factor in Vancouver's export future. It would mean the handling of several million bushels of this grain through Vancouver.

The gift from 30 U.S. Air Force athletes in Tokyo, known as a Hakata samurai doll, was selected because "it is going to the greatest fighter of all time."

Filming of the fish farm on Shikoku Island will begin late this year, and underwater cameras will be fully utilized to document the highlight of the yellowtail industry "in the manner only Disney's ingenuity can produce."

Daiei-Produced Film Attacked as Anti-American

TOKYO.—Daiei Films estimates it will net $800,000 on old American newsreels which it received free from the U.S. defense department and spliced into a box-office attraction entitled Thus Did Japan Fight. It shows Japanese killed by the thousands and covers Pearl Harbor, South Pacific battles, bombings of Tokyo, Nagasaki and Hiroshima and the surrender. Japanese newspaper critics have attacked the film as needlessly stirring anti-Americanism.

Shinto rites were held beside the gleaming new jet with the rising sun emblem.

An exhibit of Japanese costumes of the Shogunate era will be shown at the Royal Ontario Museum from Oct. 16 to Dec. 15.

The costumes, collected in Japan by Shizue Nomura, are regarded as national treasures and have never before been exhibited outside of Japan.

Opening ceremonies on Oct. 16 will include the presence of many prominent Torontonians, and Ambassador Koto Matsudaira will make the formal presentation of the costumes. With the cooperation of the Japanese Garden Club of Toronto, Japanese tea and cakes will be served. Plans are also being made for the presentation of odoris and flower arrangements.

ISSEI FISHERMAN MISSING ON COAST; EMPTY BOAT FOUND

CAMPBELL RIVER, B.C.—RCMP and a number of fishermen at last report were still searching for a 65-year-old Vancouver gillnetter whose empty boat was found drifting in Bute Inlet on the weekend of Sept. 16.

Police found the deserted Silver Foam, owned by Kinji Endo, of 3825 West Fiftieth, Vancouver, with its net still out. The one lifeboat was missing when the boat was recovered.

Japanese friends of Endo scourged the area in their fishing boats.

"There hasn't been a body recovered here in 50 years," said Const. A. Venner.

Mr. Endo was employed before the war as boat carpenter in the Celtic Cannery, Vancouver, and moved to Alberta as a sugar-beet farmer. His immediate relatives reside in Toronto and Alberta.

Japanese Violinist To Be Featured Artist

Featured guest artist at the Aiko Saita Memorial Concert next Saturday will be Kenji Kobayashi, a 22-year-old Japanese violinist currently studying at Juilliard School of Music in New York.

Regarded by critics as one of the most promising young violinists to come to the U.S. in recent years, Kenji will appear as guest artist at Carnegie Hall on Jan. 22, 1957. He came to the States four years ago in April, 1952, and appeared in Toronto that year under the sponsorship of the Kisaragi club.

The same club started the Aiko Saita Memorial Concert last year in the memory of the late Canadian-born contralto. It will be held annually with the aim of encouraging musically talented Japanese Canadians towards further studies.

The concert will be held at the Buddhist Church, 918 Bathurst St., at 8 p.m. Mr. Kobayashi will be accompanied by Toronto pianist Helen Tokiwa.

High Rate of Mixed Marriages Continuing in Japan

By TAMOTSU MURAYAMA
in the Pacific Citizen

TOKYO.—In spite of various efforts to check mixed marriages here by American religious groups and others, U.S. servicemen are still marrying Japanese girls at the rate of 100 per week. A happy note is found in that no American with a Japanese wife has complained except for an obvious language barrier. Americans have nothing but praise for them.

On the other hand, U.S. authorities now report Japanese who have married Nisei are better behaved and well-mannered. (This is something that challenges this reporter to investigate further.) Japanese girls with American husbands seem to impress this reporter they feel superior and overemphasize their daily living habits.

Latest figures reveal over 255,-000 American servicemen have married Japanese girls since 1947, when such marriages were first permitted by U.S. military authorities. It also disclosed that over half of the brides at the time of the legal marriage ceremony were pregnant.

Where war-brides generally appeared as loud and gum-chewing wives and openly proud of the GI slang they used in conversation in early days, today they are more sedate and polite.

Current figures show 1,887 marriages were recorded during the first six months of 1956 as compared with 2,461 in one week of September. Since the number of American security troops has been appreciably decreasing in recent months, the current increase of marriages is significant.

While the newly-wed bride paints a beautiful picture of America before departing Japan, this reporter can only wish them the best of luck upon arrival in the States. The problem of getting Americanized is something the girls barely realize.

Meanwhile, interviews with Japanese brides are appearing in the Japanese press and periodicals. It was surprising to find some of the brides charging their Nisei husbands as sons of immigrants and their living conditions being inferior. The brides confessed they wanted to marry a white American but because they wanted to go to America married a Nisei. (As reading material, it may appear amusing, but it squeezed sand into my mouth.)

Yes, the honeymoon days are over for many of the couples who had married during the early years. Matrimonial troubles could be numerous, but the finest thing to see is the manner their American husbands are trying to do their best for their Japanese wives. This reporter met some of them who decided to move to California or some other Pacific coast state where more persons of Japanese descent reside for the benefit of their Japanese brides. Some Americans are trying to stay in Japan as long as possible by finding a job here.

It is wonderful to see this high respect the American husband has for his wife.

Los Angeles Writer Thinks Nisei and JACL Should Steer Clear of U.S.-Japan Relationships

By KANGO KUNITSUGU
In Crossroads

Of interest to all Americans of Japanese ancestry is the recently concluded 14th Biennial National Convention of the Japanese American Citizens League held in San Francisco.

Whether or not a Nisei is a member of the JACL, he has an interest in the organization's policies, since it has become accepted by individuals and organizations in and out of government circles as unofficial spokesman for the Nisei. The JACL has come a long way since the dark days of the evacuation in achieving recognition as one of the outstanding organizations of its kind in the nation today.

At the recent JACL national convention, the contents of all the major speeches emphasized the need for stronger U.S.-Japanese ties, and the JACL was asked indirectly to help better the relations between the two nations.

A dangerous precedent would be set if the JACL took a positive stand on U.S. policies toward Japan or vice versa. The entry of the JACL into international relations—specifically that of the United States and Japan—would endanger the very foundations on which the JACL was first organized.

If the JACL does (and I must emphasize that it has not as yet done so) enter the field of U.S.-Japanese relations, the organization may end up by becoming a lobby for Japanese interests in Washington, D.C.

There is no quarrel with Nisei individually on collectively acting as goodwill ambassadors to Japan on behalf of the American cause and way of life. However, to help push the foreign policies of the U.S. government is another story.

It is my understanding that the Japanese nation does not do flip-flops exactly or shout huzzahs for the Nisei as a group anyway. To belabor a point, anything we say or do over here that has any connection with Japan is met with a stony look of distaste on the part of that nation.

At any rate, the JACL's primary responsibility is, and properly should be, that of promoting the welfare of Americans of Japanese ancestry as stated in the Preamble to its constitution. And in case the welfare of these people is directly involved in the relations between the U.S. and Japan, the JACL should then participate in these affairs only so far as they affect persons of Japanese ancestry in this country and also, actually the most important point of all, mainly consider any participation in the light of its role as a principally American organization.

The difficulty in disassociating ourselves from any direct connection with Japan lies partly in the fact that the American public still tends to look towards the Nisei for answers or guidance in problems concerning Japan.

It is the opinion of this writer that the JACL should not participate in matters international between the United States and Japan, except as qualified above. For those members of the JACL who would like to take part in such a program—and there are many who so desire with the best of intentions—we feel that a separate organization for that purpose be formed outside the orbit of the JACL.

JAPAN RISING IN WORLD TRADE PICTURE

News that Japan will open a consulate in Winnipeg is further proof of how this revitalized nation is going after foreign trade. From its early days as a nation of fishermen and ardent agriculturists, Japan now ranks among the world's great traders. It is building oil tankers of immense size for world carriage of oil. Its own ocean carrier fleet has been entirely rebuilt since the Second World War, placing it on a highly competitive basis with such nations as Sweden, Norway and Britain. Its manufactured goods have been improved in quality until they can compete with those of the great manufacturing nations. The Winnipeg consulate will be the third in Canada.

Trade journals warn the world of Japanese competition. It is striving for Middle East trade, taking advantage of disruption created there by political events. Japanese business associations are sponsoring a trade mission which will visit Pakistan, Aden, Egypt, Syria, Iraq, Iran and Jordan for 80 days starting next January. Major cities will be shown farm machinery, textiles, heavy industrial machinery, electrical appliances, cameras and optical goods.

Japan is extending interest to India and has offered to finance rail construction and port development on the east coast with $8,000,000.

In Latin America Japanese business groups are working on vast joint investment projects. And the Japanese government is encouraging the settlement in Latin America of engineers and technicians.

This is trading with imagination. It is a far cry from the export of dolls and cheap, flimsy toys. And it is an object lesson.

STAR OF FRENCH MOVIES RAPS JAPAN FILMDOM

TOKYO, (INS)—The Japanese movie industry was described recently as "terrible" and the "shame of Japan" by one of its own rising international stars.

In an interview with International News Service, curvaceous Yoko Tani charged "It is like slavery to make a movie in Japan."

Miss Tani, a favorite on the French screen, made a highly successful film debut in Japan last month after being discovered in Paris.

She said it is "impossible" to work for a Japanese movie company and do good work.

The Japanese idea, she said, is to make as many movies as possible in a month no matter what the quality and at the least expense.

"In Japan you get a script two days before the start of a movie and then work on it up to 16 hours a day," she pointed out.

She asserted that the Japanese imitate Hollywood, but end up "imitating only the bad side."

The directors, technicians and cameramen are not at fault, she emphasized, as much as the company presidents and producers.

"Everyone is always trembling in front of the producer. It is like working 100 years ago," she added.

Miss Tani offered two bits of advice to employers and employees:

"Instead of the studio presidents and producers going to Europe and coming back making big speeches and doing nothing, why don't they send young technicians who want to work and learn.

"It's better for the company presidents to stay in Japan."

For the newcomers of the profession, Miss Tani said: "Go to Hollywood."

"So many students, actors, and technicians want to say the same thing and go to Hollywood but they are fearful they just say Hai-Hai (yes-yes)."

Japan-college educated, Miss Tani was born in Paris while her father was serving in the Japanese embassy.

She moved back to Tokyo when she was four and lived there until 1950 when she won a fine arts college scholarship to Paris.

She was offered a job in the French adaption of "Teahouse of the August Moon," and immediately rose to stardom as a screen actress.

During a film festival in Paris this year she met officials of a Tokyo movie studio who offered her a contract.

Last year she married the very popular, handsome, French actor Roland Lesaffre.

After finishing her third movie in Tokyo, on contract, Miss Tani hopes to go to Hollywood, herself, instead of back to Paris.

"France is also terrible," she added "but much better than Japan."

LETTERS to the EDITOR

Editor: At our B.C.-Vancouver JCCA executive meeting, Dr. Edward Kita (chairman, educational and cultural committee); Miss Sumiyo Yoshida, and Miss Betty Miyazaki were appointed to attend the Western Citizenship conference at Banff School of Fine Arts.

Dr. Kita couldn't go, but the two girls left Vancouver on Sept. 8 for Banff.

We expect they will return better-equipped in advancing the activities of our JCCA, especially in working with other similar organizations in bettering the status of our Canadian citizenship.

It is a shallow idea to think our JCCA work is done. Who is responsible to lead the future Nisei so that they may not drift into so-called "zoot-suit shenanigans" as the Vancouver Province editorial named them? I am sure the JCCA youth leaders are responsible. That's why we sent these delegates to such a worthy conference.

Dr. H. S. Saita,
Vancouver.

一刀齋とアンナ

（一六）五味康祐

もつとも――アンナ嬢の存在がこのことには與つて力があつたのも事實である。アンナは、カルパンティもむろんそうだろうが、フェンシングに關する限り一刀齋が勝つとは夢にも思つていない。そういう勝者の餘裕の自信から、かねつて試合を挑んだ一刀齋へのあわれみを感じている。一刀齋の人間がどうやら底ぬけのお人好しらしいのと、その風さいへの好奇心でこのあわれみは好もしさを伴つている。時に、エチケットを知らぬ（野蠻人）との印象を受けることもあつたが、それすら蠻人ターザンの野蠻さに興味を持つ意味で許せるのである。彼がこの島國では劍の道の最强者だと倉橋から入智えされていることも、一そう、彼の印象をターザンに近ずけるに役立つた。だからアンナは一刀齋を陰では、ヤポーネ・ターザンと呼び、東京見物の散策にはわざわざ誘い出しに行つた。倉橋という、期せずして大へん調法な通譯を案内にたてることも出來た。（倉橋は一刀齋を自分のアパートに泊めていた）からではあつたが。

日光と鎌倉、箱根に費した殘りの二日間を、だからアンナは一刀齋との散策にすごしたのだ。ドライブでもコーヒーでもアンナには散策の時間である。むろんカルパンティも一緒である。そういう四人の歩く姿を銀座で見かけた者の一人が、根ずよくそれを覺えていて、あれは實は試合前に互いの兵法をさぐり合つているのだと、まことしやかにいいふらした。試合を五日後にした理由とみたわけだ。

一刀齋に、そんなアンナの親しみ深い態度が、彼への尊敬や友情からでなく、いつてみれば散歩に犬を連れて歩くぐらいの輕い心でなされたとは喝破するよしもない。女友達など彼は妻以外に持つたことがない。アンナ嬢はなんという心やさしいお方であろう、と內心では思つていたには違いないのである。はにかみ屋の一刀齋のことだから露骨には見せなかつたが、實にアンナに對して獻身的だつたと傳えられる。ドライブに出かけようとするとき、四人乘るに狹すぎたら、一刀齋だけは車のあとから走つて追いかけると申し出たというのだ。

「いささか修行はしてござる。ご、ご懸念には及び申さん」

倉橋から翻譯されてアンナはどんなに笑いころげたか。

いよいよ試合當日になつて、相手が急にアンナに變更されたと知つた時の一刀齋のろうばいぶりは、容易に想像出來るわけである。

漂流漁船を發見したが

日系人見當らず

なお友人漁者が行方捜査中

キャンベル・リバーから所有漁船「レルバ・ーフォーム」號を操り先々週末ビュウト・インレットに向け出漁した遠藤欣二氏（六五才鳥取出身、晩市西十五街三六二五）は行方不明となり目下マウンテー及び友人知己がビュート・インレット方面を捜査中である。遠藤氏の漁船が右インレット附近で漂流しているのを發見調べて見ると遠藤氏は見當らず、ロー・ボートもないことがわかり、友人達が漁船で捜し求めることになつたもの。マウンテーの一人は「この附近は死体が五十年間に一人もあがつて來ないところだ」と語つているが、遠藤氏がどうして行方不明になつたのか不審がられている。

（遠藤欣二氏は戦前セルチック・キャナリーで船大工だつた。戦時中はアルバータでシュガー・ビーツ作り。沿岸に復歸して漁者となつた。遠藤氏の近親者がトロントにいるが「まだ行方を探索中である」との情報が入つており、日系漁船のサーチ・パーティーが今なお活動中である。）

賣れッ子工學卒生！

ト大學へどつと七五〇名入學

大學のエンジニーア科を卒業すれば學業成績の如何に拘らず、羽根が生ねて飛ぶ様に高給で賣れる、という「エンジニーア・キャン」の聲にレゲキされて、今秋のト大學エンジニーア科の新學期にはどつと七百五十名の新入生が押し寄せ、例年の平均をみて多く入學しても六百六、七十名と推定していたのに、豫想以上の七百五十名という數になり、教室に入り切らず、教授も不足となると大あわてである。エンジニーア科主任教授マクラーレン氏は「こんなに多數の學生を受持つことは不可能に近い。なにしろ一人の教授に對する學生の比率は倍以上になることを意味し、この傾向は年々惡化するばかりだ」と悲鳴をあげている。

マキニス議員に名譽博士號

オタワ議會議員として過去二十餘年間、建設的に議席を持ち、戦前戦時ともに日系人のため盡力したレーレーユア黨のアンガス・マキニス議員に對し、ビーレー州大學はほか五名の名士と共に十月廿六日に名譽法學博士號を授與することになつた。五名の中にはト市大學總長スミス博士も加わつている。

毛市が代表して

△十月一日から東京で開かれる開都五百年を記念する「オトロ東京祭」には、世界各國二十數都市から市長さんらが出席することになつている。ところでカナダの晩市、トロントおよびモントリオールの三都市にも招待があつたが、ただモントリオールだけが參加することになつているとのことである。

△トロント市長は「東京へ行くタイムはとても見つからぬ」と、あつさり斷つてしまつた。十二月中旬に市長選擧があるとはいえ、まさかそれに差し支えるわけもなかろう。東京祭は興味一週間で終るのだから、空路でいけば二週間あれば十分のはずである。

△これに反して、モントリオール市では、東京のこの催しがあることを聞いて、ぜひ參加したいから招待して貰いたい、と申し出て來たということを日本の新聞は報じている。パリーに次ぎ世界で二番目のフレンチスピーキング大都市モントリオールが、まずカナダを代表する事になるわけだ。

△こういつた會議には、各都市の市長さんは抜目なく自分の都市を宣傳するものである。一例をあげると「寄藥」と印したキャンデルをデナー・プレートの上につ宛置き廻り、不審がつて中味をしらべた一同は「風光明媚の××市へお出で下さい」といつた風の宣傳文句を書き並べた印刷物を知らずに讀まされるといつた按配。モ市代表もカナダの宣傳を大いにやつて貰いたいものである。

【東京時事通信】ロサンゼルスの一日系二世の温い手に養子として引取られるサンダース・ホームの戦争孤兒ケイ子ちやん（二才）が、今週羽田發のパンアメリカン機であこがれの米國へ渡つた。日本から遙々戦争孤兒を引取つた話題の主は、ロサンゼルスで大きな食品市場を經營する日系二世のミー・綿村氏で、日系市民が日本の戦争孤兒を養子にしたケースでは同氏が最初である。ケイ子ちやんは訪日中だつた新日米新聞社のイップ・貴下氏につれられて、今週末ロサンゼルスに到着の豫定である。

フォーラム　觀劇と服裝のこと（上）

ト市　中村生

先日母國より藤原義江氏が公演のため來加されたが、その觀劇の際の服裝問題が日系人の間で物議をかもし、これがため觀劇を中止した向もあつたと聞いて誠に殘念に思つた次第である。

勿論、昔は貴族の間に發達し、大衆には縁遠いものであつたことは否めない事實であり、そのため特に服裝問題はうるさいものであつた。しかしながら、それが直ちに二十世紀の今日にその儘適用すると思うのは大間違いである。貴族なる特權階級のない現在、しかも如何にしてこれを大衆化し、發展させるかが重要なる問題となつている時、斯ることを強いるということは、單にオペラの正常なる發達を阻害するのみならず、誠にナンセンスであると言わねばならない。オペラ觀劇の大事なことは服裝でなく、觀る人の心に在ると言つても過言ではあるまい。徒らに借着をして正裝に威儀を正して出掛けても肝心のオペラの何たるかを知らず、觀賞のポイントを逸したのでは、それは單に時間と金錢の浪費のみならず、出演者に對する冒瀆であり、寧ろ行かない方がましである。勿論この度の場合は、母國から來た人達を成功裡に送り度いという氣持と、他面多數の白系と同席するという特殊事情はあつたにせよ、例え正裝でなくとも、禮を失せざる限りに於ては問題でなく、前述の同胞の公演を掩護する氣持に加えて、少しでもオペラを理解すべく觀劇するのであれば、最早充分であり、このことは出演者に對する禮儀であると同時に、何よりの勵ましであることを疑わない。

滯日中、東京なる國際都市に於て、オペラはもとより、パントマイム、バレー等數多くの來朝者の公演を觀る機會に惠れたが、勿論白人、それも海外に派遣されて來る樣な人であるから教養その他申し分のない人々と同席したが、一度も固苦しい氣持になつたことはなく、濃紺のダブル・スーツで堂々と心ゆくまで觀賞したことを未だに覺えている。

又禮裝に就いて一言すると、當カナダやアメリカに於ける禮裝と、私が身につけた禮裝に關する知識とでは大分開きがある樣だ。私の知識の根據は英國その他の歐洲諸國の宮廷に於ける禮裝であり、日本に於ても守られているものである。その何れが正しいかは、各自の判斷に任せて、一例を舉げると、タキシード着用の折當地では、白の蝶タイにヒダのない白シャツ、然もパンツに於ては、テイル・コートのものを平然として使用している者が非常に多いと言うことである。參考までに男子に關する禮裝の中で必要な分のみを次號に記してみよう。（つづく）

南アルバタの友へ（下）

Y生

ある大劇場の屋根から出火した、觀客の頭に火の粉が降る、場内は阿鼻叫喚のちまたと化す。群衆は入口目がけて押しよせる。入口の戸は内開きになつている。内から押せばしまるばかりだ。それを知つている數人（先覺者）が、聲を限りに「押しては、しまるばかりだ、後へ退け」と叫んでも、群衆はひた押しに押す。其の中で利巧な人は、他人を押しのけて舞臺の下に潜り込み自分だけは安全だと喜んで居るが、やがて屋根が燒け落ちる時が來たら、自分も共に死なねばならぬ運命を辨えていない。此の場合、群衆の七、八割が「押しては戸は開かぬ」事を覺つて戸を開ける事に協力しない限り、全滅する運命にある。

どうしてこの狂亂する群衆を自覺させるかは、先覺者諸君が、群衆一人々々を說破する努力と、犠牲に俟つの外はない。「いくら言つても聴かぬ、ほつとけ」では先覺者自身も自滅する。死を賭して戰い續ける時、やがて世界の市場に覇を爭うカナディアン・ウィート・プールのように、農家自身が自分の產業を管理し、支配し、生產品に正札をつける組合が生れるのである。（九月十四日）

新黨議を確實に實行せよ
反鳩山派の「時局懇談會」が決議で強く要請

【東京時事通信】モスクワ着した松本全權の公電を待って鳩山首相は十月三日ごろ日本を出發、モスクワに向う準備をすすめていると言われるが、一方、自民黨内の反主流派を結集した「時局懇談會」は鳩山訪ソ反對から側面の様相をみせ、今週、衆院第一議員會館で總會を開き、日ソ交渉について次の決議を行い、鳩山訪ソをめぐって黨内の派閥抗争は更に激化しつつある。

▲決議　日ソ交渉の再開に際してはさきの總務會で抑留者の即時返還、ハボマイ、シコタン南島の即時返還、エトロフ、クナシリ兩島は日本固有の領土であることを堅持し、平和條約發效後、日本の主權が完全に回復せられるよう引續き協議すること、その他の領土はサンフランシスコ平和條約に違反せざるよう處理することなどの新黨議に基きソ連側の態度を打診する方針を決定した。我々はこの方針を再確認し、政府がこれを確實に實行することを強く要請する。

なお時局懇談會の會員は現在百七十六名（衆議院百二十二名、參議院五十四名）となった。

持たざる國々を
もっと經濟的援助せよ!!

【ワシントン發】カナダもメンバーである國際再建開發銀行の年次大會が今週からワシントンで開かれたが、席上、同銀行メンバー國六十ヵ國のうち「持たざる國」が、世界將來に重要なカギを握っていることが加盟國代表によって強調された。インド代表は特に、もっともっと東洋の未開發國を財政援助しなければならないと、次の如く述べている。

アジア諸國はどの國よりも經濟的開發をより多く必要とするものである。インドの第一次五ヵ年計畫で生産高は十八パーセント増加し、第二次五ヵ年計畫ではその目標を二十五パーセントにおいている。しかし第一次計畫後の今日でさえインド人の頭割り年收はたった六十弗である。英國は七百七十三弗であり、米國は千六百弗。インドは第二次計畫でやっと七十弗になろうというのである。

日本代表の一万田藏相は、同銀行の東洋國メンバーに對する融資額は増加されているというけれども、その額は同銀行貸付高のわずか十五パーセントにしか達していないことを指摘した。

連邦總選擧は來年六月の豫定

【オタワ發】サン・ローラン首相は閣議後、記者團會見を行い「來年六月には總選擧が行われるだろう」と強くほのめかした。すなわち六月という月は選擧に好適なときであると認めたが、これは正式發表でもないが、國民の都合をみて六月が最適當だというのであれば六月もよかろうと述べた。

後任領事 遠藤又男氏に
トロント着任は十一月初旬

任トロントの吉田領事が今土曜歸國することは既報の通りであるが、その後任について本社東京支局の鈴木氏は次の情報を送って來た。

×　×

日本とカナダの政治、經濟の提携、親密は最近益々強く、今後の飛躍的[illegible]が期待される折柄、外務省としてはトロントの後任領事の人選には特に慎重を期しているようで、まだ發令されていないが、記者（鈴木）が探知した情報によると現外務省渡航課長の遠藤又男氏が任命される公算がある。吉田領事が十月早々歸國し後任のトロント着任は十一月の初めとなる模様である。

尚、遠藤又男氏は宮城縣出身、大正四年生。東大卒。外試合格後外務省入りが昭和十五年。北京、廣東に勤務。戰後は東南アジア方面の在外事務所任勤、二十九年六月より一ヵ年、通産省の海外市場課長として轉出。三十年九月外務省に歸って渡航課長となり現任に到っている。又吉田領事は歸國後本省の經濟局二課長に榮轉するもようである。

カナダ所有船 沖繩で坐洲破船

【東京發】ハリファックスのカナダ會社所有船「ベッドフォード・アール」號（九、一二九トン、英國登録貨物船）は今週、臺風ハリエットのため沖繩に坐礁破船し、乘組三十四名は米空軍機で次々と救助された。またこの臺風で遭難した日本旅客船「白山丸」の乘客百六名を救出しようとしたが、波浪高く近よられなかったと報じている。

必ずまとめるよ
鳩山首相訪ソを前に自信滿々

日本外交有力筋によれば、鳩山首相は訪ソに際し、必ず妥結させて歸る決意を固めているといわれる。鳩山首相はこのほど外交界の某高官に對し「日ソ交渉は自分がソ連に行けば必ずまとめてくる。いかなる場合も決裂を考えていない」と決意のほどをもらし、さらに「ソ連が今度の交渉で領土タナ上げに應ずることはたしかだ。自分としてはこれを交換公文書にもり込まなくても、ソ連が口頭で確認すれば妥協するハラである。これによって國内に多少の波亂があっても、國會の承認を得ることはまず大丈夫だと思っている」と述べたといわれる。鳩山首相はモスクワからの歸途、米國に立寄ることになるだろうと

寶の鑛脈
函館に發見さる

【函館時事通信】津輕海峡を一目で見渡す觀光地として有名な函館市函館山にこのほど金、銀、銅などの鑛脈が發見され、文字通り「寶の山」になるかも知れないという話題を呼んでいる。これは同市内に住む橋本豊次郎さんが今年のはじめ函館山裏側の寒川附近で硫化銅の露頭を發見したので、早速試掘權をとり、掘ってみると銅の他金、銀、亞鉛などを多く含む鑛脈を見出したもの。この調子だと觀光函館山にゴールド・ラッシュがまき起り、文字通り「寶の山」になるかも知れないと騒がれている。

廿五名とは多すぎる
ソ大使館員削りたい

【オタワ發】カナダ政府當局では、ソ連大使館員が軍事秘密をさぐろうとして失敗した事件にかんがみ、オタワ駐任のソ連大使館は二十五名という多數の館員を持っているのに反し、モスクワのカナダ大使館にはわずか六名の館員しか駐任しておらず、ソ連大使館の人員はあまりにも多すぎるのでせめてこの數を半減にしたいという希望を持っていると言われる。それを行う最もおだやかな方法は、入れかわり、立ちかわるソ連外交官の旅券査證を出さないことにあるとされており、ソ連もカナダはわずか六名しか駐任させていないのだから、もし減らされても文句の出しようもなかろうと見ているわけである。また今回のスパイ活動事件は五名のマウンテーの注意深い監視下に置かれていたことも明らかとなっているが、それによって司法當局やマウンテーは防諜網を更に強化することになったといわれる。

北部關係 大臣でさえも
無許可でデュウ線に入れぬ

【オタワ發】カナダ北極ケン内に外敵の襲來をいち早く知るためのレーダー網（俗にデュウ・ラインと呼ぶ）は米國が四億弗を費して目下建設中であるが、このカナダの北部領土を管轄下におく北部關係省のジョン・ラサージ大臣が、この地方を視察するに際して、米國當局の立入オーケーの許可が必要だということが明るみに出た。すべてのカナダ人がこのデュウ・ライン内に立ち入るものは、まず米國側の許可を必要とされていることにカナダの一部では文句が出ている。

ドリウ氏に

カナダ全國進歩保守黨を病氣のため辭任したジョージ・ドリウ氏に對し今週サン・ローラン首相はドリウ氏が靜養中のト市内病院にオタワから電話をかけ、上院議員の席をオファしたとのことである。

dates and doings

by Margie

Belonging to that I-don't-know-much-about-art-but-I-know-what-I-like school, who according to the critics don't even fully appreciate what they like, I can't offer too much in the way of art to full-fledged art lovers. . .

But this is Art Gallery Week in Toronto; or I should say, was Art Gallery Week in Toronto, as announced by hizonner Mayor Nathan Phillips, from Sept. 22 through 30 inclusive, so you have only two (Count them, II) days left to view the extra paintings "borrowed to fill some of the gaps in the gallery's collection of European paintings."

My preferences lie with the modern school although I can't say yet that I understand it too much. Can't even, like a young man seen last week at the gallery, stand back (with chin in hand), assume a knowing look, gaze on a modern (a table painted top-view with a varied collection of still-life side-view) and thoughtfully comment, "I don't quite see what he's trying to prove. . ." I can only admire in awe and bewilderment.

But I can recognize (bully for ourselves) at twenty paces certain of the more famous masters, numbering among favorites of the classics such artists as Franz Hals of the smiling faces, El Greco of the ethereal and distorted (for that era) figures, and Vermeer (really cool—in coloring, that is) . . . and I like the French Impressionists Van Gogh, Degas and Gauguin. As for abstracts, I like, but don't know from what about them. . . .

Last week at the gallery, on Monday, Wednesday and Friday nights, panel discussions were held on paintings of the Renaissance, the Industrial Revolution, and Contemporary Art respectively. Such notables as artists Arthur Lismer, Grant Macdonald and Rockwell Kent, Dr. Sterling Callisen of the Metropolitan Museum of Art, and famed photographer Yousuf Karsh participated in these symposiums. Movie star and art collector Vincent Price was slated to appear also, but couldn't make it because of commitments in New York. You may have seen him recently on the $64,000 Challenge TV show. Category was art, natch.

There are 17 paintings on loan this week from dealers, private collections and art galleries in Canada and the U.S. Nine of them (from the dealers) are for sale, and to get the public's preference in what you'd like to see in your local gallery, they give you the chance to choose by ballots your choice of the nine, including Velasquez, Caravaggio, Master of Faces, Cranach, Ingres, Daumier, Corot, Picasso and Rouault.

Also on view are a Van Gogh, Cezanne, Paul Klee, Georges Braque, Augustus John, and the controversial sculptor Henry Moore, along with the permanent collection which is quite good for Toronto (not meaning to be degrading, for Toronto is known as Canada's centre of culture, Torontonians say).

Canadian art, as can be expected, is well represented. Tom Thompson, Lawren Harris, A. J. Casson and Emily Carr are my favorites here (to your consternation, uncle Alan). . . .

About getting to appreciate art, the books have this to say:

"Looking at unfamiliar pictures has a good deal in common with meeting a group of strangers, especially if their background happens to be very different from your own. At first you will probably find it hard to establish any kind of contact with them. . . . Perhaps you will dislike them intensely for a while. But if you persist, you are likely to discover that all these people have interesting things to say. You will find yourself sympathizing with their point of view, and you may even strike up a lasting friendship with one or the other of them."

Well, I hope all this doesn't turn you against art. If it hasn't, the Art Gallery of Toronto is open until five-thirty tonight, and 1:30 to 5:30 tomorrow, admission free. . . .

Negro as Judge?

SAN FRANCISCO. — Judge William Denman of San Francisco recently proposed that President Eisenhower appoint a Negro to fill a forthcoming vacancy on the U.S. Supreme Court.

Judge Denman said he made the same recommendation previously but added that appointment of a Negro seems even more important at this time in view of racial troubles in the South and in order "to counteract Communist propaganda picturing this country as racist."

The new vacancy comes up on the high court with the retirement of Justice Sherman Minton because of poor health.

SUDDEN DEATH FINAL GIVES BURKE-PASTOR EAST TORONTO LADIES' JUNIOR C CROWN

Paced by Amy Tani's sterling four hit relief stint and backed by an 11 hit offense and an air-tight defense, Burke-Pastors copped the East Toronto Ladies' Junior C crown in the sudden death third game of the best-in-three finals, 13-4 last Tuesday.

Barely giving the Clapp's squad time to set themselves up defensively in the top of the first inning, the BP's scored eight runs on seven hits to wrap up their first East Toronto title in four years.

A pair of runs in the second and sixth innings sandwiching a single tally in the fourth aided a comfortable cushion for the Niseis.

Despite the lop-sidedness of the final score, the game could have easily gone the other way, had it not been for the clutch pitching of Amy Tani in the early stages of the game. With two out in the second inning, runners on first and third and one run in, Amy took over from a faltering Shirley Grimmer, who again was plagued by her base-on-balls nemesis, to successfully quell a dangerous Clapps rally. From there on in she coasted to her second win of the finals.

Ironically enough, Amy who has accounted for four mound victories this season, has gained all her wins in playoff competition.

A total of 12 batters went to the plate in the wild first inning, the first nine getting on base safely. Of the seven base hits garnered in this frame by the BPs, three went for extra bases—a brace of triples by Carole Coghill—a bases-loaded shot—and a run-producing blow by Bev Fournier, and a two-base hit by Shirley Grimmer.

Clapps retaliated with a couple of runs in the bottom half of the inning, after two were out on three straight free passes and a base knock. An error, Carole Coghill's second base hit of the game, a sacrifice fly and a fielder's choice gave Burke Pastor their eight-run spread. In the bottom half of the second, two walks between two outs resulted in two more Clapps runs. From this point, it was just a matter of completing the seven-inning contest as pitcher Amy Tani completely stifled the Clapps hitters.

POST SCRIPT: Marg Nayler, Carole Coghill and Amy Tani led the hitters in the finals, with six, five, and four hits respectively. . . . The game was not without its few anxious moments . . . one in particular for the BP's—when Amy Tani was temporarily winded by a line drive. . . . The sigh of relief from the BP coaches when Amy was able to continue pitching after a breather was audible to everyone in the stands. BP culminated the season with a 23-9 and 1 tie loss-won record. . . . Shirley Grimmer won the pitching award with her 7-3 mark during the regular sked. Her overall record including exhibition matches: 11-5. Marianne Johnston who was unable to participate in the latter part of the season due to injuries was 5-1, including three shutouts. . . . BP will lose only two players to over-age next year—Carole Coghill and captain Betty Fenton. . . . The errorless game was the Niseis' first perfect defensive game of the year, and it couldn't have come at a more opportune time. . . . Arlene Harada, sophomore third sacker, led the team in stolen bases. . . . Most improved player of the year is Kiyo Nakamoto, who hit a lusty .345 in her rookie season. . . . Sharon Masui (.201 in Juvenile competition) and Janet Hirabayashi are two youngsters who'll be playing in the BP infield in the not too distant future.

NISHITA EXPECTS TO RETURN TO MONTREAL

HONOLULU. — Bill Nishita, former University of California and Tokyo Giants moundsman who played in the states this past season, returned here last week with news of his return to Montreal next year.

The tall right-hander pitched for two teams belonging to the National League-leading Brooklyn Dodgers' system—Montreal in the International league and Fort Worth in the Texas League.

He established an 8-9 mound mark while playing for two teams; 4-6 with the Montreal Royals and 4-3 with Fort Worth.

Nishita reported to the Brooklyn spring training camp at Vero Beach, Fla., last March and then he was shipped to the Montreal Royals. In August, he was sent to Fort Worth but just before the Texas league season ended, he was given notice that he had been recalled by Montreal next season.

Montreal is confident that the Nisei pitcher will make the grade with a new chance at AAA ball.

In his undergraduate days, Nishita was the darling of the UC pitching staff. Prior to his stint with the Bears, the Honolulu-born Nisei hurled for Santa Rosa.

Only the lack of experience was blamed for his release from Montreal. However, with his sound record with Fort Worth, it appears that he has gained his confidence.

HERBY AT DOWNSVIEW

Herby Miyasaki was named winner of the men's handicap title of the Downsview Golf and Country Club's competitions for 1956.

NO-HITTER TOSSED BY JAPANESE

KANAZAWA.— Koretomo Miyaji recorded the third "perfect game" in Japanese professional baseball history last week by pitching the Kokutetsu Swallows to a no-hit, no-run, 6-0 victory over the Hiroshima Carps.

The 24-year-old righthander threw 79 pitches at the hapless Carps to set down 27 batters who faced him in one-two-three order.

Miyaji, who was plagued by injuries since entering the Swallows aggregation in 1952, was pitching before a hometown crowd who remembered his exploits with the Kanazawa high school team.

He tossed a mixture of fast balls with sliders to keep the Hiroshima team in tow all the way.

While he was handcuffing the Hiroshima nine, his teammates backed him up with 12 hits and six runs.

Only 10 balls were hit to the outfield, the last a long fly in the ninth inning which Katsumi Ugai, centerfielder, grabbed over his left shoulder.
